

# skye 7

As thoughtful in style as it is in function the Skye has a refreshing design aesthetic: classically minimal with a soft modern edge. Whilst the Skye 7 is very easy to operate (one simple push/pull control) the ground breaking technology behind the cast iron casing ensures the user gets the very best efficiency from the fuel burnt. The stove has been independently tested and achieves exceptional efficiencies when burning wood or mineral fuels while retaining very low particulate levels.

## RATED OUTPUT

**7kW** to room (range **5-11kW**)

## NET EFFICIENCY

**80% Wood, 81% Solid Fuel**

## FLUE OUTLET

Top or Rear **150mm (6")** dia

## MAX LOG LENGTH

**400 mm (16")**

## WEIGHT

**157KG** Low, **177KG** Store Stand

## MIN DISTANCE TO COMBUSTIBLES

Side: **350mm** Rear: **100mm**
