

BAY BX

The Bay BX is the latest addition to the Bay range. The firebox and frame of the stove is the same as the Bay VL but features an outer casing transforming the appliance into a freestanding stove. The Bay BX can be installed directly onto a hearth or we offer a choice of three base options to raise the stove up: bench stand, centre stand or store stand. Both the stove and base options are available in eight colours. This model is SIA Ecodesign ready (blu).

RATED OUTPUT

5kW to room (range **2-7kW**)

NET EFFICIENCY

81%

FLUE OUTLET

Top **150mm (6")** dia

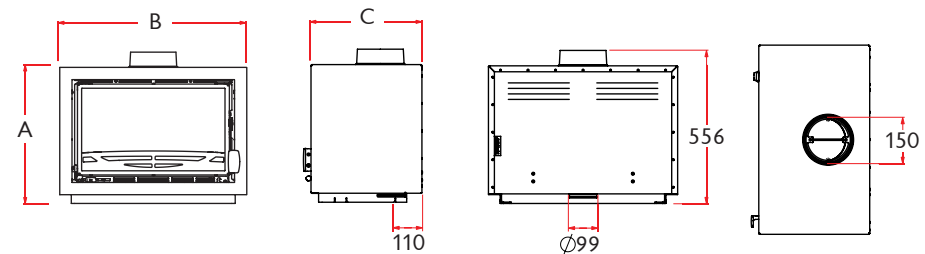

MAX LOG LENGTH

480 mm (19")
